

Growing Atmore

At the Atmore Area Chamber of Commerce, our mission is to support Atmore, its businesses, economy, and culture, thereby ensuring an enhanced quality of life for all.

Whether you are in Atmore for a few hours or just a day, it doesn't take long once arriving to feel the energy and excitement in our hometown, for our future. Everyday you are here you can notice the changes, new additions, and updates with new places to go, things to do, and people to see.

Our beautiful downtown provides opportunities to shop, meet with friends, share a great meal, or just take a walk and soak up the warm southern hospitality, unique history, and beautiful architecture around every corner. With theater productions, arts & crafts festivals, and live music events there is always something to do. **You can travel to lots of hometown communities throughout the south but trust me when I say you won't find another that could match our city of Atmore.**

The Atmore area's quality of life is further enhanced by our business community. From small family-owned shops to strong regional and national companies, you don't have to go far to find what you need, a great place to work, or a warm welcome. The entrepreneurial spirit is alive and well in Atmore, bringing us unique products and services. Our thriving economy provides the perfect setting for those wanting to strike out on their own. With the growth necessary to support our business community, both established or new, it is easy to understand why so many people are discovering Atmore or even rediscovering our fair city and choosing to do business here. Supporting our community, the Chamber works diligently to market, assist, and provide resources for our businesses to prosper. We're committed to making the Atmore Area a successful community and flourishing place to do business.

So, whether you are just visiting us, looking for a new place to call home, or bringing a business here, I hope you enjoy all that the Atmore Area has to offer and look forward to meeting you!

Emily Spurlock Harp
Executive Director
Atmore Area Chamber of Commerce
