

Welcome!

It's A Great Time To #DiscoverAtmore

Our community is in the most exciting and transformative time in recent history, and we have every reason to believe that our future will be one of growth and prosperity. At the center of that limitless future and at the core of that prosperity, is our business community. **Business is the engine that powers our community, supports our schools and churches, and contributes to the overall well-being and quality of our daily lives.**

The Atmore Area Chamber of Commerce is fully committed to helping our business community fulfill this important role. Not only does the Chamber work to promote our businesses, but we also keep close contact with elected officials, and civic organizations to make sure that the business community has a seat at the table when decisions are made about the future of the Atmore Area.

The Chamber has a wide range of programs and events to promote business and cultivate networking, such as our Business and Breakfast, Business After 5, Chamber 101, Ask the Expert, and Young Professionals Group. The Chamber is also fully committed to economic development and growing our workforce through programs such as Youth Leadership Atmore, Chamber Ambassadors, Leadership Atmore, and Atmore Young Professionals.

Together, your Chamber Board of dedicated business men and women who, along with the Executive Director, Emily Spurlock Harp, and her talented staff we are honored to be actively engaged in the Chamber's mission to make Atmore the best place to live, work and cultivate business. On behalf of us all, I personally invite you to get on the train and join us on this journey. We wish each of you continued success with your business, now and in the future, and thank you for your support and participation in the Chamber.

Brandy Giger
Chamber President
